

# **Owley Woods Glamping Accessibility Statement**

## **Type of Accommodation:**

### **Pre-Pitched Lotus Belle Tents**

Owley Woods Glamping is located on the Mendip Hills at the end of an unmade road and the site is on a sloping paddock, but we are committed to helping as many people as possible enjoy our Glampsite and benefit from the beautiful location. Please do not hesitate to contact us with any additional requirements or queries and we will always help if possible.

### **The Glampsite**

The site is situated on a sloping grass paddock with a parking area located near the entrance. The tents and seating areas are level but the paths leading to the tents and bathrooms are sloping.

The parking area has a gravel base and is covered with grass and it is a short walk to the tents from this area – average approx. 5- 10 meters

The paths and parking area are lit by solar powered lights.

### **Tents**

Our Lotus Belle Tents are 5m in diameter and have 18 meters of standing space and 1.8 meters of headroom. They all have king-sized beds with access on both sides.

The entrance doorway has a small step over a canvas edge approx. 6” and the entrance is sloping.

The tents have solar powered lighting and charging facilities

There are level seating areas inside and outside of each tent.

### **Toilets & Showers**

Our toilets and showers are in two bathrooms which are spacious but do have a step up into the bathroom and into the shower.

The bathrooms are connected to mains electric so are well lit.

### **Kitchen Area**

The small kitchen is equipped with electric kettle/toaster and fridge freezer for our guests to use. There are also electric charging points in this area.
